Note:

Remember when using citation style guides, *regardless of the guidelines given in the manual’s current edition*, your professor’s personal preference is the final authority for how you complete citation details.

If you have any questions, concerning your professor’s expectations, be sure to discuss them with your professor prior to the assignment’s deadline.
Turabian Style Quick Guide

Tips for Using the Website

- For resources on Mechanics, Grammar, or Punctuation, click on “General Writing”

- For APA or MLA Style Guides, click on “Research and Citation”
